

Knights of Columbus Wine & Beer Tasting! September 29, 2018

6pm to 9pm

Come join us for a Fall / Winter tasting event.

Once again, our wine distributor will be featuring his selection of wines that are meant to be enjoyed at this time of the year, plus others that you have fallen in love with.

Also, we have been able to partner with a great local craft beer company who will introduce you to their tasty line up for the months ahead.

Proceeds will go to: **The Kids Equipment Network**

(Giving Children with Special Needs Tools for Independence)

Of course, there will be a dinner buffet included because food and drink go together.
